Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' amendment and response filed June 7, 2006. Upon further consideration of the references relied upon for the rejections of record, the examiner was inclined to agree with applicants' arguments. The examiner therefore concedes that none of the cited references taken alone would have suggested the modification of their respective process parameters to a person having ordinary skill in the art, such that a person of ordinary skill would have arrived at applicants' claimed process. Accordingly, the rejections of record have been withdrawn; the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.
